Are there any large or heavy items that will require 2 people to lift? If 'Yes' – The customer/nominee must provide enough people to unload these items. <b>*see note</b>		

**\*Large items**, the customer must load/unload these items themselves. The driver is to remove themselves from the vicinity. If there is not enough help then the items that can't be loaded or unloaded will need to be collected/delivered another day when the customer can obtain more help. An additional charge will apply for this service.

To help protect you and our driver, the driver cannot assist as they must maintain social distancing of 2 metres/6 ½ feet.

The customer or their helpers are not to be in the vehicle with the driver.
